

Why Work at PPA?

Quality

The Player Progression Academy is known for being a *leading premier* youth sports organization. We are very *selective* about who we recruit to our team. If you join, you know you will be joining a professional, fun, and winning environment with other passionate, like minded, people.

Culture

A large group of diverse youth and adults are posing in front of a soccer goal. The group is arranged in several rows, with some individuals sitting on the grass in the front and others standing behind them. They are all smiling and looking towards the camera. The background shows a soccer field with a goal net and a building with a corrugated metal roof.

Camaraderie

We are a
team-oriented
organization who
believes we are
greater as a whole.

Passion

We are *unified* by a
common purpose and
motivated to build a
company that will
change the landscape
of youth sports
development.

PPA Vibes

We are focused on
maintaining a positive,
professional, creative,
fun, and ambitious
atmosphere at “work”.

Purpose

Sports

PPA offers people a way to tie sports into a *professional* pathway. Whether you are just looking to coach part time, or you are interested in building your *career* in sports management, PPA offers various avenues for people to break into the *sports industry*.

Youth Development

You will work hands on with players and you will have the tools to develop them into both quality *athletes* and quality *people*.

Personal Development

As a Coach or Director with PPA, you will have the *opportunity* to develop your own personal skill sets; leadership, communication skills, public speaking, and more.

The background of the slide is a collage of images. On the left, there's a photo of two men in a WeWork office; one is wearing a yellow cap and talking on a phone, while the other is at a laptop. Above them is a sign that says 'FEEL LIKE SHARING?'. On the right, there's a photo of a group of seven people (four men and three women) standing outdoors on a rocky shore next to a body of water, with a forested hill in the background. They are all wearing athletic gear and some have PPA logos on their shirts.

Balance & Flexibility

PPALife can provide a great work balance of *active* coaching on the field, and *flexible* business development off the field. Our offices are housed in WeWork buildings. See why this fits perfectly with our PPA culture; [WEWORK](#).

PPA offers full time, part time, and seasonal work arrangements. We can work with your schedule to find something that works for you.

Job → Career

Finally, PPA is dedicated to providing a pathway for *hard working & dedicated* staff members to succeed and progress within the organization. Whether you want to become a high level coach or a business manager, PPA will provide support to help you reach your goals.

Many of our staff join to get involved with sports without knowing they can turn youth sports management into a full time *career*. At PPA, you'll have the *option* to start off slowly and work your way up.
